

# TAKE YOUR SPIRITUAL LIFE TO A DEEPER LEVEL

## You are Invited to Participate in a Online Circle and Discussion Group

“Before I started Circle, I had pretty much retreated from life feeling there wasn’t much left for me at the advanced age of 77. Now, through my work in Circle and with “I Am The Word, I have discovered a fresh outlook and a greater vision for my life.”

**Maureen M. Santa Barbara**

“This book is rocking my world and deepening my knowing of myself in ways I can't quite articulate. Suffice it to say it's amazing, transformative and illuminating. It's a gift to be participating in circle with Patricia and to be engaging the wisdom and guidance of this book.”

**Sabrina N. Santa Barbara**

“This book is very powerful and moving. It offers a profound deepening of our spiritual awareness and connection to our Higher Selves and to our Guides. It’s a life changer...”

**Tracy W. Santa Barbara**

*“I am now choosing to think only those thoughts which will bring me peace and will align me to a higher consciousness. I am doing this easily and through my own intention to know myself as Word. Word I am Word through this intention. Word I am Word.”*

**- Personal affirmation from “I am the Word”**
