

HAND AND HEART AWARD

*THE ELIOT INSTITUTE
GOLDEN HAND AND HEART AWARD*

*At every Eliot camp
there are those who have their moment in the sun,
who have the opportunity to sparkle
or have titles or roles
or are noticed and applauded.*

*And then there are those
who quietly go about making things happen
as if by wires or mirrors or magic,
who just bring what they have to bring,
give it unobtrusively,
and stay to the sides of the
room to make space.*

*These hidden wonders need recognition
and gratitude as well.*

In that spirit,
The Eliot Board hereby awards

THE GOLDEN HAND & HEART RECOGNITION to:
