**CARPINTERIA & SUMMERLAND  
ARTISTS STUDIO TOUR**  
SAT MAY 11 & SUN MAY 12/2019 10AM TO 5PM

# HERE IS YOUR FREE GUIDE & MAP TO OUR ANNUAL TOUR OF STUDIOS IN CARPINTERIA & SUMMERLAND 10 TO 5 / SAT MAY 11 & SUN MAY 12 / 2019

The Lynda Fairly Carpinteria Arts Center is proud to open the doors this Spring on brand new gallery and workshop spaces in the heart of Carpinteria. Featuring local and regional artists, our new facility will allow us to improve the professional quality of our exhibitions and offer classes and workshops for all ages across a variety of media, including drawing, painting, jewelry, ukulele, guitar, vocal music, therapeutic arts, film, poetry, photography, and more.

We partner with other organizations to bring arts programming to the whole community with art in public places, free summer concerts, museum and private collection tours, a winter film series, and special arts programs to reach underserved children and teens. We aim to be among the best small-town arts centers in America, and we have become a gathering place for our community, particularly following the Thomas Fire in December 2017 and the deadly debris flows of January 2018. The arts present a unique opportunity for people to come together, and we hope to be a unifying force in our community as well as a place for healing.

We support local and regional artists with regular juried exhibitions in our gallery and an annual studio tour, now in its 13th year, that draws visitors and arts patrons from Los Angeles and beyond.

Our small staff of 4 part-time employees is led by a 12-member volunteer board of directors and supported by approximately 100 active volunteers. Come join us!

Please join us for a reception in our newly rebuilt gallery!  
Friday, May 10th from 5 to 7 PM

The Carpinteria & Summerland Artists Studio Tour happens every Mother's Day weekend in May and was established to promote and support local artists. This is your opportunity to visit studios and galleries showing fine art from professional level artists as well as emerging talent. A portion of every artwork sale goes to support the programs of The Lynda Fairly Carpinteria Arts Center.

The tour wouldn't happen without the hard work and inspiration of our committee: Doris Drabbe, Joe Sacks, Molly Burns ([www.mollyjaneburns.com](http://www.mollyjaneburns.com)), Melissa Doyle, Rebecca Stebbins, Matthew Stork, and our chair, Ted Rhodes. This year we are very happy to have the support of—

- Alpha Investment Management
- The Pollock Family
- Porch on Santa Claus Lane

We are also deeply grateful for the sponsors shown below!
