Interesting Subjects Wanted

Do you know of a RESBC retiree who is doing interesting things—epic trips, or good works, or other fun, unusual or productive endeavors? This could be as a volunteer, community activist, or maybe an artist in any realm. The RESBC Newsletter would like to share their story. Drop us a note at P.O. Box 30401, Santa Barbara, CA 93130, or send an email to the editor, Rory Moore at acquitter@hotmail.com. Make the subject line "RESBC Newsletter Suggestion."
