

Prayer for the week starting April 11, 2020

Your Affirmative Prayer Request has been sent to all our Ministers and Practitioners. We are praying for you all week.

Mentally see and feel your request already done!

Here is our prayer for the week. I invite you to contemplate it daily:

“Within each one of us there is a Presence, a Something more real than anything we can know, with a vision beyond our vision... Too often, however, because we are not aware of this Presence, we are determined to live our own life: to make our own decisions and to rely on our personal wisdom, judgment, or strength; but that is only because we have not yet come into the actual experience of This that is within us.” Joel Goldsmith, *The Mystical I*.

I recognize that there is a benevolent Presence, an intelligence that creates, animates and sustains everything in the entire Universe. This is the essence of Light, all wisdom and knowledge. This Presence knows no limitation or conditions.

I unify with this intelligence that has created me in its image and likeness. In so doing I have access to this Light, wisdom and knowledge. Just as a branch is unified with the tree, which is its source, in order to bear fruit, I turn to my Source for knowledge and clarity.

This awareness brings the realization of infinite possibilities in my life. My consciousness is expanded to inspire me to reach beyond any limitations I believed to be true in the past. My Source inspires me to new ideas and brings the work to me, then does the work for me, through me and as me. I now realize that life is constantly conspiring in my favor and my only job is to look for evidence of it. By listening to my inner guidance, I am enlightened step by step to divine right action and I walk in the quiet confidence of this Oneness, knowing what to do.

I am excited and grateful for this Truth and I bless and accept the results.

I release my word into Universal Law knowing that it is now a reality.

And so it is.
