**STORAGE CLOSET MANAGER
TIMELINE**

BEFORE CAMP

Register for camp. Sign contract and Code of Ethics; return to Registrar.

Regularly check the website job description for a new Revised date.
See www.eliotinstitute.org —> Volunteers —> Camp Jobs

Get the inventory spreadsheet file from the Registrar.

Familiarize yourself with the inventory spreadsheet. Be sure you know how to navigate through the file.

Note that the First Aid Coordinator will take care of restocking the First Aid Cart and first aid kits, and the tie-dye folk are in charge of their inventory. This is not the responsibility of the Storage Closet Manager.

Send an email to the Golf Cart Coordinator asking for the cart to be available after the first staff meeting to help transport bins throughout camp.

If you get an early list from the Volunteer Coordinator of volunteers signed up to help with the Storage Closet, email them with the timeline and tasks you might delegate. Most of the work happens on closing day and conflicts with packing to leave, so be sure potential volunteers can commit.

ARRIVAL DAY

Attend Staff Meeting

Get Master List with box # and title on it (not itemized contents) from Registrar. On this list mark where and to whom bins were delivered.

Also, get two copies of the individual inventory sheets for each bin from Registrar; one copy to go with the bin, the other to remain with you.

- _____ Get the Storage Closet key from the Registrar, open the Closet (located in Lower Colman at the back of the room on the left), unload the items, organize them by user group, and make the inventory bins available for pick up by camp staff members. Restock inventory bins with items provided by the Registrar.
- _____ Arrange for the prominent display of the Eliot banner throughout the conference. For July, August and Winter the banner goes on the front railing of the Inn; for Creative Arts Eliot it goes on the front porch railing of Juniper.
- _____ Make sure that the First Aid Cart is wheeled down to the Inn Lobby.
- _____ Attend the Staff Meeting to inform Program Staff (Children, MAGs, and Youth); Coordinators for Worship, First-Aid, and Music; Choir Director, Waterfront, etc. of the location of inventory bins. Request they return them inventoried at the end of their program. You may provide the inventory sheet or distribute it later in the week. Staff do not have to wait until the last day to return bins; they can be turned in as soon as programs end. Please help Waterfront Director devise a plan for getting swim dock equipment back bone dry.

DURING CAMP

Help camp staff locate items for their program activities.

Attend staff meeting toward the end of the week to remind staff about returning their materials -- inventoried and with any purchasing suggestions – to Lower Colman tables. Ask to be put at the beginning of the agenda so you don't have to stay for the entire meeting.

LAST DAY

Ensure that all supplies and equipment belonging to Eliot Institute are returned to Lower Colman at the end of the conference, accounted for, and re-inventoried. Those most likely returning supplies will be: Children's Program Director, Youth Advisor, Music Coordinator, Audio-Visual Coordinator, Worship Team, First Aid Coordinator, Waterfront staff (having dried the equipment). Each person should give you a list of supplies needed to replenish the bins.

NEW IN 2023: Eliot also has an Offsite Storage Unit. Some staff members may bring items to Colman that don't belong at Seabeck, but rather the Offsite Storage Unit. Please bring these items to the Eliot Office, so the Registrar can store them offsite.

Reload the closet and lock it. Return the key to the Registrar or Seabeck Office.

Give shopping list for re-supply to the Registrar within 3 days.

AFTER CAMP

Within two weeks of the end of camp, submit a report to the camp Deans using the template they provide.
