*Presented by the Junior Troop 50119 in honor of their

*Getting your back-to-school haircut? Why not cut off a little more and make a difference in a women's life who has lost their hair from cancer treatment?*

***Pantene Beautiful Lengths Activity Patch***

Pantene Beautiful Lengths has partnered with Girl Scouts of Western Ohio to educate girls about hair, cancer, and community action. They are sharing their program with us before rolling it out to other regions. The goal of the Pantene Beautiful Lengths Girl Scout Patch program is to teach girls about healthy hair, inspire them to take action in their community, and show how much a generous and selfless act, such as a hair donation, can mean to a person in need.

The number of activities required to earn a Pantene Beautiful Lengths patch will vary by troop level:

- Daisies: complete 1 activity from each of the 3 sections
- Brownies and Juniors: complete 4 activities including at least one from each of the 3 sections
- Cadettes and Seniors: complete 5 activities including at least one from each of the 3 sections
- Ambassadors: complete 6 activities including 2 from each section

Girls who donate their ponytail to Pantene Beautiful Lengths as one of their activities will receive a special bonus pin in addition to the patch earned through this program. Ponytails need to be at least 8” in length, washed and dried within 24 hours of cutting and contain zero hair products. Before and after photos are required (can be taken from behind) to earn the pin. For hair cutting instructions and mailing address, visit <http://beautifullengths.com> This is an on-going program without a deadline!

*It can take several weeks, 6 to 30 individual ponytails, and \$800 to \$3,000 dollars to make one wig.  
Your donation of your ponytail or braid will certainly go for a good cause*

For questions or to participate in the program, please contact Amy Findlay at 453-1798, [amymfindlay@hotmail.com](mailto:amymfindlay@hotmail.com) and the activities files will be emailed to you.
