

HANOVER TOWNSHIP SHADE TREE ADVISORY BOARD MEETING

Tuesday, May 31, 2011

The monthly meeting of the Shade Tree Advisory Board was held at the Hanover Township Municipal Building, 3630 Jacksonville Road, Bethlehem, Pa 18017 at 6:00 p.m.

In attendance were Joan Witiak, Dan Roman, Linda Young-Bandala and Ann Shanley

1. Upon motion of Joan Witiak, seconded by Linda Young-Bandala, the minutes of the April 25, 2011 Shade Tree meeting were approved.
2. Permit List: The List will be updated at our next meeting
3. Park Tree Planting: Twenty-five trees were planted this spring, 15 in Crawford Park and 10 in Troxell Park. Some of the trees may have been planted a little too deeply. Two of the older trees in Crawford Park have died and will have to be replaced. The Township Public Works crew has agreed to water the new trees if there is a drought situation this summer.
4. Review Faulkner/Cadillac/Chevrolet plans: We recommend replacing the ash trees shown on the plan with another variety of large deciduous tree because of the emerald ash borer. Street trees should be shown on the plan. Trees to satisfy the landscape requirement should be shown on the plan.
5. Old/New Business: No old/new business

The meeting was adjourned at 6:50 p.m.

The next meeting will be held on Monday, June 27, 2011 at 6:00 p.m.

Respectfully submitted,
Ann F. Shanley
