Purpose

In a coordinated effort by the Federal CIOC and the Office of Management and Budget (OMB), this IT Project Management Training Providers list is offered to assist project managers and their sponsors with finding information on education sources for the specialized area of IT Project Management.

The information listed below was selected utilizing the following criteria:

- Project management specific to information technology
- Certification or degree programs
- Course curriculum
- Length of training
- Online access

If you know of an IT Project Management Training Course that you think should be included in this directory, please contact Monica Fitzgerald, monica.fitzgerald@gsa.gov, in GSA’s Office of Electronic Government and Technology.

Training Providers (listed alphabetically by state):
