Technicolor Galaxy Quilt Requirements

The mockup of the *Technicolor Galaxy* quilt is shown in solids, but I am making my version of the quilt in a mix of Kona® Cotton Solids and various rainbow prints. The fabric requirements are a close estimate, your final requirements will be based on how many colors and shades you use as well as whether you use scraps from your stash, yardage or pre-cuts.

Fabric Requirements

FRONT OF QUILT

- (42) 10" squares in various rainbow solids or scraps at least 10"
- (35) fat eighths in various rainbow prints
- (12) fat quarters low volume prints
- (7) half yards low volume solids
- ½ yard solid for center bias tape
- ¾ yard of muslin

BACK & FINISHING OF QUILT

- ¾ yard for backing center circle
- (12) 10" x 10" or fat eighths for 2nd ring
- (24) fat eighths for 3rd & 4th ring
