

PUMPKIN FARMS, CORN MAZES & OTHER TRICK OR TREATS

Most Farms Open through Oct 31st. Please verify costs and times with farm.

General Maze & Farm Rules:

- NO SMOKING in the maze or on the farm at any time! Dry plant material could pose a fire hazard.
- NO ALCOHOL, DRUGS, PROFANITY, or persons under the influence. We reserve the right to remove anyone not behaving in an appropriate manner.
- WEAR PROPER SHOES! The paths are rough and bumpy, hiking shoes are the footwear of choice. Open toed shoes are not recommended.
- CHILDREN 12 AND UNDER must be accompanied by an adult at all times. It's easy enough for adults to get lost, let alone young children. We reserve the right to remove young children from the maze if not accompanied by an adult.
- STROLLERS should stay home. Most farms have wagons or wheelbarrows available.
- REFRAIN FROM RUNNING in the maze. There are many sharp corners and running will likely cause a collision or other accidents!
- PLEASE STAY ON THE PATHS! Cutting through the corn damages the maze and ruins the fun for others.
- NO PETS ARE ALLOWED in the maze or on the farm. They could pose a threat to others or to our livestock.
- FLASHLIGHTS are required for the night-time maze. If you do not bring one, you must purchase one.
- PLEASE DO NOT PICK, THROW, OR DAMAGE the corn. You may eat the corn for survival purposes only! (However, it is feed corn!).
- PLEASE KEEP THE MAZE CLEAN and use the trash cans provided.
- BRING cash for goodies. Some farms do not except debit or credit cards.
- HAVE FUN and be courteous to others

Safety Tips for Motorists: (From AAA)

- Watch for children in the street. Trick-or-treaters may not pay attention to cars and cross midblock or between parked cars.
- Slow down and drive with caution, especially in low-lit neighborhoods between the hours of 4p.m. and midnight when pedestrians are most vulnerable.
- Avoid driving through neighborhoods. If possible, avoid cutting through residential streets where trick-or-treaters are likely to be.
- Drive sober. Always designate a sober driver if you plan to drink. Visit www.PreventDUI.AAA.com to learn more.

Safety Tips for Pedestrians:

- Trick-or-Treat as a group or accompany young trick-or-treaters.
- Check costumes. Choose disguises that don't obstruct vision, opt for non-toxic face paint instead of masks, and add reflective material or tape to keep kids visible.
- Make a plan. Review trick-or-treat safety precautions and plan your route ahead of time.

Remind children never to cross the street mid-block or from between parked cars.

- Buckle up. If driving trick-or-treaters between neighborhoods, always use appropriate seat belts or car seats and have children exit and enter on the passenger side of the vehicle.
