In case of an accident

Place crossed skis or snowboard upright in snow above scene of the accident. Note the exact location of the accident & the nature of any injury. Report the accident to attendants at the top or bottom of any lift or call 855.704.0986.

Off mountain accidents should be reported to Guest Services in the Main Lodge.

Exhilarating

Events are tentative, subject to change without notice, weather permitting, fees may apply.

Safety First!

In order to make everyone's slope time enjoyable and memorable, attention to safety is the first step! Please read, understand, practice and pass on all of the safety information provided.

Responsibility Code

Wisp Resort is committed to promoting slope safety. At ski areas you may see people using alpine, snowboard, telemark, cross country and other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great snow sport experience.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

KNOW THE CODE. IT'S YOUR RESPONSIBILITY.
This is a partial list. Be safety conscious.

This Orange Oval symbol designates Freestyle Terrain such as parks and pipes. Smart Style represents Freestyle Terrain safety. Know it, Respect it, Use it!

Make a plan.
Every time you use freestyle terrain, make a plan for each feature you want to use. Your speed, approach and take off will directly affect your maneuver and landing.

Look before you leap.
Scope around the jumps first, not over them. Know landings are clear, and clear yourself out of the landing area.

Easy style it.
Start small and work your way up. (Inverted aerials not recommended).

Respect gets respect.
From the liftline through the park.

Slow Zones

Certain areas (highlighted on the trail map) are designed as SLOW ZONES. Please observe the posted slow zone areas by maintaining a speed no faster than the general flow of traffic. Fast and aggressive skiing and riding will not be tolerated.

Slope Regulations

No sledding allowed on resort premise. Ski, snow tubing, cross country skiing, snowshoeing only in designated areas. Slope access permitted only during chairlift operating hours. A valid Lift Ticket or Season Pass must be presented at all times for chairlift and slope access.

Gladed Terrain

Gladed Terrain not serviced by snowmaking or grooming. Skiing and snowboarding are not permitted in Gladed Terrain during night-time operation.

Wisp Resort prohibits the use of aerial drones.
