DONALD J. TRUMP TO PUBLISH NEW BOOK WITH THRESHOLD EDITIONS

NEW YORK, September 21, 2015 – Threshold Editions, an imprint of Simon & Schuster, will publish Donald J. Trump's new book announced Louise Burke, President and Publisher. The currently untitled book is scheduled for publication on October 27, 2015.

In the book, Mr. Trump will outline how a crippled America could be restored to greatness. The book will explore Trump's view on key issues including the economy, big CEO salaries and taxes, healthcare, education, national security, and social issues. Of particular interest will be his vision for complete immigration reform, beginning with securing the borders and putting American workers first.

"I am excited to announce that work on my new bestseller is almost done and I'll have a new book out from Threshold Editions and Simon & Schuster later this year. Not since *The Art of the Deal* have I had this much fun writing a book," said Trump.

"Donald Trump has proven again and again how hungry audiences are for new ideas and unabashed opinions. This will be the must-read book of the year," said Burke.

Donald J. Trump is the very definition of the American success story, continually setting the standards of excellence while expanding his interests in real estate, sports, and entertainment. He is a graduate of the Wharton School of Finance. An accomplished author, Mr. Trump has authored over fifteen bestsellers and his first book, *The Art of the Deal*, is considered a business classic and one of the most successful business books of all time. Mr. Trump has over 7 million followers on social media and is a frequent guest across a variety of media platforms.

World publishing rights in all formats of the book were acquired by Louise Burke from Byrd Leavell and Scott Waxman at Waxman Leavell Literary Agency and Bill Zanker from The Learning Annex. Simon & Schuster Audio will publish the audio book.
