KATE ELYSE JUNE VANDER LUGT

Congrats, Interior Designer!

You've grown fast while surviving critiques, floor plans, and all-nighters doing 47 versions of the same render. May your client's always trust the process, never tell you they want a 'minimalist farmhouse glam vibe', and your tape measure never mysteriously vanish (even though it absolutely will). Here's to all your future spaces coming together as you create beauty in this world.

"He has made everything beautiful in its time."
