

Greetings!

**Iowa's general election is coming up on November 8<sup>th</sup> and we need your help!** The Iowa Secretary of State has created a social media toolkit for you to use during the lead up to the November 8 general election.

**We want to reach every eligible Iowan who is registered to vote,** but we cannot do that without your assistance.

A majority of the content below is evergreen, but there are a few posts that are time sensitive. If you use scheduling for your social media content, the easiest way is to follow the suggested dateline our office puts forward.

If you have any questions regarding this content, please email [jacob.holck@sos.iowa.gov](mailto:jacob.holck@sos.iowa.gov).

Thank you!
