Dorothy's House provides a safe place for the practice of life for those whose lives have been interrupted by trafficking.

At Dorothy's House, we believe that to affect change each participant requires a unique approach to healing based on her personal life experiences, trauma profile and goals.

It is our goal to be a non-institutional environment to care for victims of crime with the hopes of eliminating shame and guilt in order to build resilience and hope.

The work is logistically intense and wonderfully rewarding. We rely on a community of support for funding and resources! We appreciate anything you can do to help us achieve our mission! You can give online at **DorothysHouse.org/Donate** or by mail.
