Alliance 2019 Conference Attendance and Records Retention Policy

In order for ALLIANCE attendees to receive Continuing Professional Education (CPE) credits for attending ALLIANCE sessions, the HEUG CPE Team must receive the completed and signed form by the end of the conference at the registration desk. The number of credits will vary depending on the sessions you attend. CPE is only available for full sessions. To obtain your CPE credits, be sure to:

1. Please print this **form** and bring it with you to the conference. Keep the CPE form with you and record the sessions you attend. **We will NOT have copies onsite.**
2. Sign-in **AND** sign-out the attendance log that is provided at each CPE eligible session. Failure to sign-out will result in ZERO CPE hours for that session.
3. Double check the form and make sure to sign and date the form. The form will list all possible CPE sessions for Alliance 2019. Please indicate which sessions you attended by marking the number of hours you attended in the Attended box. All forms must be received by close of conference.
4. Return the completed form to the Show Office Room in **Dolphin Australia 3 by 11:45 AM, Wednesday, March 6, 2019.**
5. All attendees must also complete the individual survey evaluation for EACH qualified CPE session. By using the Alliance 2019 mobile app, go to 'Agenda', find the CPE session and click on it, scroll down to 'Session feedback' and complete it. **This must be completed by March 22, 2019.**
6. Within 15 days of the online evaluation closing, random audits will be performed by the CPE Coordinator and the committee to ensure integrity of CPE hours granted. CPE log forms will be compared to the CPE hours granted.
7. After the online survey closes, the HEUG CPE team will accumulate the total number of credits and a certificate will be emailed to you in April 2019.
8. The CPE Coordinator will then retain attendance logs for 5 years.
9. The HEUG/PSUG website database will retain evaluations and CPE information for at least 5 years.
10. Sessions that are classified as regular sessions should have 50 minutes of content. Sessions that are classified as deep dive sessions should have 100 minutes of content. Sessions that are classified as workshop sessions should have 150 minutes of content. Sessions that are classified as training sessions should have 250 minutes of content. Attendees in the sessions that do not meet the time requirement will receive partial credit for the time in the session.

CPE State Requirements:

Each State Board of Accountancy (SBA) maintains different standards for CPE credits. CPE sponsorship by a given SBA does not imply endorsements of the merits or quality of The ALLIANCE Conference programs. It is the responsibility of attendees to become familiar with the standards and procedures of their state's SBA.

CPE Fields of Study: Communications and Marketing, Computer Software & Applications, Information Technology, and Management Services

Higher Education User Group is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org.
