

**SAFETY BUZZ CAMPUS MASK WEARING POLICY**

**FEBRUARY 17 - 2021**

As per Alberta order, masks must be worn in all indoor spaces.

All students must wear a mask or shield when in common areas of the Campus.

Students with medical, physical or mental concerns can sit at a table with plexiglass. These students are still required to wear a mask or face shield in the common space, washrooms, entering & leaving the building.

As per the information below **if you qualify for an exemption**, students should make us aware of their limitations prior to attending courses.

**If someone expresses they cannot wear a mask due to below physical, mental or medical exemptions we will explain our mask policy in common areas. If they are not willing to comply we will suggest the student either come back when there is no longer a mask restriction or try one of our online courses.**
