**Starting 10/1/26, the rent will be frozen on 1
and 2 year Rent Stabilized leases!**

**Here's what that means for our
building:**

The fight has just begun! Mayor Mamdani just enacted new protections that make it easier for tenants to get organized and put pressure bad landlords. **Tenants are 70% of New York City.** **When we organize, we can win big for our communities.** Let's keep the momentum going and secure necessary changes for our building!
