In Castlevania: Aria of Sorrow actors take on the role of Som Cruz, a young man who has been chosen for the next incarnation of the dark master Dracula. The year is 2035, and Soma Cruz will witness the first 21st century solar eclipse when she suddenly stuns - only to wake up inside a mysterious castle. The players discover that they are destined to become a dark lord, and the only way to escape this evil destiny is to escape from the castle. Like Soma, the players will be able to shout a lot of different weapons in their ngon to escape from Dracula's castle. Along the way, players discover the ability to collect and use the souls of defeated enemies to be stronger or enable them to perform special skills. In addition, there is an RPG element of Aria of Sorrow that adds an unparalleled level of depth to the game.
