Description of Affordable Housing Restriction:

This opportunity to purchase an affordable, deed-restricted unit at a significant discount is offered through Somerville's Inclusionary Housing Program. This requires, among other things, that the unit remain affordable for future buyers in perpetuity. If you are selected to purchase this unit, you will sign a "Deed Rider" and record it with the registry of deeds which describes the restrictions on the unit and your responsibilities. These restrictions will remain with the unit permanently and will apply to you and all subsequent owners. The following is an overview of the most important aspects of the Deed Rider and is meant for informational purposes only. If selected, you are strongly encouraged to hire an attorney to review the full recorded Affordable Housing Restriction.

- **Principal Residence:** The unit must be used as your primary principal residence and may not be used as a sublet, nor used for short term rental such as an Airbnb or rented out under any circumstance etc.
- **Refinancing:** Express written consent must be obtained from the City of Somerville OSPCD, Housing Division prior to refinancing your loan.
- **Notice to the City of Somerville when selling your home/unit:** When you want to sell your home, you must contact the City of Somerville, OSPCD Housing Division. You must submit a written intent to sell. OSPCD will calculate the Maximum Affordable Sale Price. The buyer must meet income and asset criteria and the City must certify their income and must also be first time homebuyers.
- **The City conducts annual monitoring:** Homeowners will need to complete an annual residency verification form and provide residency documentation to ensure buyers are in compliance with the deed restrictions.
- **Improvements are not included in the resale calculations;** if you are thinking of doing substantial improvements and have questions about it, contact OSPCD's Housing Division first.
- **You can hope for a small modest increase** in the resale price; however, these units are not market rate units and are not valued as such. The price ***does not*** increase by a set percentage every year. Upon resale, the units must remain affordable to another income eligible first-time homebuyer.

A deed-restricted unit cannot be resold without the City's Certificate of Compliance verifying the affordable price and the income eligibility of the purchaser.

Eligibility Restrictions

- No households or incomes of convenience
- Cannot own a home or interest in a home in the USA or abroad
- Minimum household size – 1 person per bedroom/sleeping area
- Maximum household size – the greater of 2 persons per bedroom/sleeping OR Massachusetts State Sanitary code's guidelines on square footage requirements
- Minimum and maximum gross annual income limits
- Maximum asset limit
- A household in which ALL adults are full-time students (including PhD) is not eligible to apply

Definitions:

Household:

- A “household” includes all persons who will reside in an apartment. A household includes babies, children, teenagers, and adults, *regardless of their ability to earn or receive income*.
- A household consisting of unrelated persons must have a documented history of mutual residency at the time of income certification, prior to the beginning of the application period opening.
- Applicants may not submit multiple applications as a member of multiple households.
- An unborn child is considered a household member if the pregnant person is in their third (3rd) trimester of pregnancy at the time of the lottery.
- Minors under shared custody are considered household members if they live with the applicant at least 50% of the year. Adult dependents attending college as full-time students are considered household members.
- Legally married couples shall both be considered part of the household, even if separated. However, in situations where a household member is legally married to a spouse absent from the household (whether or not officially divorced or separated) and the absent spouse will not be moving into the inclusionary condo, the applicant must provide current verification: (1) if divorced, a copy of a divorce decree; (2) if not divorced, a copy of a separation agreement; (3) if the applicant does not have the documentation in #1 or #2, documentation of residing in separate addresses (such as copies of leases). Where no such documentation exists of residing at separate addresses, a notarized affidavit from the parties (or party in the event it is not safe or possible for both parties to do so) that they are separating and will be residing at separate addresses as of a certain date. Without any of the above verification, the ex-spouse will be considered part of the household, and their income and assets will be counted in determining income eligibility, even if they do not plan on residing there.

All verification will only be required at the time of income certification.

Income:

- Income is all amounts received by all household members, even if the family member is temporarily absent.
- All amounts counted towards your income total for the program are pre-tax and pre-deduction.
- When filling out your application, income includes all amounts anticipated within the upcoming 12 months.

Examples of income include **but are not limited to**:

- Earnings from a job or self-employment (including earnings from one-time events/gigs such as yard sales & art sales)
 - **Self-employed household members** (ride-share drivers, artists/musicians, business owners, etc.) should indicate their expected net income for the upcoming 12 months on the application.
- Childcare
- Fundraising Campaigns (GoFundMe, etc.)

- Unemployment Benefits
- Pensions / Social Security / SSI
- Disability Benefits (eg. SSP)
- Informal or formal Child Support
- Recurring monetary gifts or assistance from family/friends
- Starting or closing of businesses

Examples of anticipated income changes include **but are not limited to:**

- Seasonal work
- Changes in work hours
- Raises/ bonuses
- Overtime pay
- Cost of living adjustments (COLA)
- Commissions
- Gain or loss of employment or income source
- Gain or loss of clients

Minimum income restrictions are not set by the Inclusionary Housing Program for condos in price tier 1, only maximum income limits. **Lenders determine the minimum income amount they are comfortable underwriting for units priced in Tier P1.** While the City does not set minimum income requirements, applicants must have income to support monthly mortgage, taxes, homeowner's insurance, condo fees and utilities including water and sewer.

Assets:

The maximum household asset limit is \$103,200 in liquid assets.* This excludes restricted retirement, health, and college savings plans. This asset limit applies to all household members, regardless of age, and includes all assets or joint interests in assets held in the United States or abroad.

Applicants must also demonstrate sufficient liquid assets to make the minimum required downpayment of 3% of the sales price of a unit. Gifts from outside the household may also be demonstrated to meet this requirement.

All assets for all household members must be disclosed in the pre-lottery application, including restricted accounts and joint accounts with non-household members.

**Consideration may be given to households exceeding the initial asset limit of \$103,200 but using a portion of their unrestricted assets to make a downpayment not to exceed twenty percent (20%) of the affordable sales price.*

Examples of assets include **but are not limited to:**

- Saving/checking accounts
- CDs
- Mutual funds
- Investment accounts
- Retirement accounts (IRA, 401K, 457B, 403B)
- Stocks or bonds
- Digital currency (Bitcoin, etc.)

- Payment apps (Venmo, Paypal, Square, etc.)
- Whole Life insurance
- Community funds
- Fundraising campaign platforms (GoFundMe, etc.)
- Cash on hand
- Real estate
- Any investments held abroad

Failure to disclose all current or anticipated income and assets may result in a determination of ineligibility at the time of the income certification.

First-Time Homebuyers:

Applicants must be first-time homebuyers. A person shall be considered a first-time homebuyer if no person in his or her household has, within the preceding three (3) years, owned a home or owned an interest in a home through joint ownership in the USA or abroad. Exceptions may be made in the following five (5) instances ONLY:

1. A displaced homemaker: A displaced homemaker is an individual who is an adult meeting ALL criteria:
 - Has not worked full-time, full year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family;
 - Owned a home with his or her partner or resided in a home owned by the partner;
 - Does not own the home previously owned with a partner; AND
 - Is unmarried to or legally separated from the spouse.

Displaced homemakers will not be given the opportunity to purchase an Inclusionary Unit until their current home is under a Purchase & Sale Agreement (P&S).
2. A single parent, where the individual owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has 1 or more children of whom they have custody or joint custody or is pregnant).
3. An age-qualified household (in which at least one member is age 55 or over) which is selling a home in order to purchase an Income-Restricted unit. However, age-qualified households will not be given the opportunity to purchase an Inclusionary Unit until that home for sale is under a P&S.
4. A household that owned a property that was not in compliance with State, local or model building codes and which cannot be brought into compliance for less than the cost of constructing a permanent structure.
5. A household that owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations.

One household member is required to complete a Massachusetts Housing Collaborative (MHC) approved first-time homebuyer's course. They **must** submit a copy of a current, valid certificate of completion with the application or proof of enrollment in a first-time homebuyer's training class with the submission of the application. Courses must be completed by the date of the lottery. If submitting a verification of enrollment for the lottery and your household is chosen, you must submit the certificate of completion before closing.

First-Time Homebuyer Courses:

My Mass Home provides a directory of first-time homebuyer training courses approved by the Citizens' Housing and Planning Association (CHAPA) and MHC in the Greater Boston Region. Up-to-date date listings

are on their website: <https://www.mymasshome.org/homeownership-education-calendar>. Online and in person classes are listed there at various prices, dates, times and languages.

MHC approved first-time homebuyer courses are taught monthly at the Somerville Community Corporation (SCC) in Union Square. You can view course schedules and register at <https://www.somervillecdc.org/first-time-homebuyers/> or register for classes by contacting Renee Taylor at (617) 410-9907 or by email at rtaylor@somervillecdc.org.

Somerville Preference:

Households in which one or more members live and/or work full-time (32 hours or more per week) in Somerville have Somerville Preference. Households with children in Somerville Public Schools or charter schools within Somerville also have Somerville Preference.

- Verification is required only after the lottery drawing. Households that apply with a preference and are unable to provide necessary documentation to verify preference eligibility will be placed at the bottom of all waitlists.
- Somerville work preferences will not be granted for applicants in co-working spaces as verification of employment in Somerville.
- The Somerville Preference lottery pool is drawn first, and the No-Preference lottery pool is drawn second. Applicants do not receive a greater preference if they have more than one preference.

Households that are ineligible for a preference may still apply and will be placed on the waitlist behind households with preferences. Upon tenancy turnover, wait-listed households may have the opportunity to income certify for an apartment. The Housing Division cannot determine the odds of moving into an apartment as the total number of applications received and the ratio of applicants with a preference is only known after the deadline. Households are encouraged explore income-restricted housing opportunities in the city which they live or work to learn if these programs offer local live/work preferences.

Submitting a Complete Application:

It is the applicant's responsibility to provide a complete application. **ONLY complete applications are included in the lottery.** Housing Division staff may review applications for completion and provide assistance, however, applications that are submitted within five (5) business days of the application deadline may not be reviewed or have an opportunity to update the application. Correspondence will be via email if the household has an email address or via regular mail if the household does not have an email address. *Complete applications include:*

1. An application **completely filled in and signed on the last page by all household members 18 and older.** Do not leave any parts blank; if a question does not apply, put N/A for "not applicable."
2. A **valid First-Time Homebuyers Training Class Certificate** or proof of enrollment in a MHC approved class scheduled to be completed before the date of the lottery.
3. **Current Mortgage Pre-Approval/Qualification/Credit Approval letter** valid through the date of the lottery including an interest rate or interest rate range for a 30-year fixed mortgage covering the cost of the home.
4. Household disclosed all assets and anticipated income (and changes) for the next 12 months.
5. The applicant's name, email and phone number must be printed and legible.

6. Households must indicate if they qualify for Somerville preference on the application.

*All parts of the application must be submitted together to be complete. Incomplete applications are not accepted. Applications that **do not** include the above requirements will not be included in the lottery.*

Please be aware this does not mean that your application is reviewed prior to the application deadline.**

- Staff will confirm the status of your application once it is processed.

Lottery Information:

The lottery will be held virtually on Zoom. All participating applicants will receive unique identifiers and information to join the virtual lottery. Attendance at the lottery is not required. All unique identifiers will be called in the order in which they are drawn and placed on a lottery list. The lottery itself is viewable on the City's YouTube channel: [Youtube.com/SomervilleCityTV](https://www.youtube.com/SomervilleCityTV) and will be posted on the Inclusionary Housing Program website.

The household(s) drawn first in the lottery will be contacted by the Housing Division within 48 hours to initiate an income certification. Households not drawn first will not be contacted and may learn of their position in the lottery list on the Inclusionary Housing Program website.

The household(s) drawn first in the lottery will have five (5) business days from the date of notification to submit all required documentation to the Housing Division needed to verify their preference and eligibility status. **The Housing Division reserves the right to request additional income and asset documentation as necessary to complete an income certification.**

If, after the five (5) business day period for the household to submit the initial documentation requested, the household has not provided all required documents, the Housing Division will provide applicants with three (3) such requests thereafter. If the household is unable to provide all required documentation after three (3) additional requests are made, Housing Division staff may conclude that the requested information is not provided in a timely manner or in good faith effort. The Housing Division reserves the right to discontinue the income certification and offer this opportunity to the next household on the lottery wait-list.

The household drawn second in the lottery will be notified if the first household is determined ineligible or unable to purchase. They are subject to the same timeline listed above, after which, the next household on the lottery list will have a chance to income certify.

Where there are two units at the same income limit, households no. 1 and no. 2 will be notified immediately to income certify.

When a household is found income eligible, they will receive a Proceed Letter outlining next steps.

DO NOT provide notice to a current landlord until a Proceed Letter is offered.

Income Certification:

Income documents include but are not limited to:

Preference verification, most recent federal tax returns or IRS letter of non-filing, employment verification signed by household member, termination of employment verification, most recent eight (8) consecutive weeks of paystubs, other income documentation (child support, pensions, Social Security benefits, etc.), most recent three (3) consecutive months of all asset statements and/or quarterly statements for all household, explanation of deposits for all unclear deposits into asset accounts explaining the source and nature of each deposit, cash on hand affidavit, no-income statements, verification of student status for household members who are 18+ and full or part-time students, verification of business ownership, profit and loss statements for self-employed household members, verification of having a history of living together if household members are unmarried and unrelated, verification of custody of a minor, verification of divorce decree, verification of real estate under sales agreement.

Other documents may also be requested by the City at the time of the income certification.

DO NOT SUBMIT INCOME & ASSET DOCUMENTATION WITH YOUR PRE-LOTTERY APPLICATION.

Income assets and tax returns are only required if a household is selected in the lottery.

Proceed Letter

When a household is found income eligible the Housing Division will issue a Proceed Letter outlining the next steps. Once certified and after receiving a Proceed Letter, the buyer will have 15 days to complete a private home inspection, review the inspection report, and enter into a Purchase and Sale Agreement (P&S) with the seller. Copies of the Private Home Inspection report and executed P&S must be provided to the Housing Division. The buyer will formally apply for a mortgage loan with their chosen lender and then the buyer and seller will agree to a mutually convenient closing date included in the P&S, which is normally 30-45 days after the P&S is executed. If the household is pursuing a Closing Cost Assistance Application with the City of

Somerville, please be advised that a closing date should be identified in consultation with the City. If determined eligible for assistance, the City's assistance check can take up to 4 weeks to be generated, the check must be at hand at the time of closing. Final analysis of a household's documented need for closing cost assistance is not completed by the City until in receipt of the final Closing Disclosure.

Appeals:

Pre-lottery determination of eligibility by OSPCD's Housing Division is based upon the following:

- Submission of a complete application, with supporting documents.
- Income and/or household composition requirements.
- Eligibility as a first-time homebuyer.

Please see Section F: Appeals below for more details on pre-lottery determination.

Post lottery/ income certification determination:

A household deemed ineligible upon the completion of the income certification process has the right to appeal the income¹ determination. To initiate the appeals process, the ***applicant must send a written Appeal Request to the Director of the Housing Division within 10 business days of receipt of the notice of denial.*** Extensions may be granted by the Housing Division Director for good cause, if requested within the same 10-business-day window.

Appeals must be submitted in writing via email to the entity that issued the denial, with inclusionary@somervillema.gov copied and the subject line: "Appeal – Attention: Housing Programs Coordinator." Individuals who are Limited English Proficient (LEP) or require a reasonable accommodation may submit a verbal request for assistance with filing an appeal by contacting the Inclusionary Housing Program at (617) 625-6600 x2566.

A complete appeal must include the following elements:

- Applicant's full name and contact information
- Property name or address associated with the application
- Clear statement of the issue being appealed (e.g., eligibility denial, lottery exclusion)
- Detailed explanation of the grounds for appeal, including but not limited to:
 - Specific errors in the application of policy or procedure
 - Any extenuating or overlooked circumstances
 - Description of how the error impacted the outcome
- Supporting documentation (if applicable), including but not limited to:
 - Email correspondence
 - Legal or financial documents
 - Evidence of program compliance
 - Additional income certification documentation
- Requested remedy (e.g., reconsideration of eligibility, correction of lottery exclusion)

Applicants are encouraged to focus on their strongest and most relevant arguments. Appeals that merely restate the original application or express disagreement without evidence of error will not be considered sufficient for review.

¹ The City has adopted the Part 5 definition of "Annual Income" under 24 CFR 5.609 for the Inclusionary Zoning Program.
City of Somerville's Inclusionary Housing Program

The Housing Division or the entity that issued the denial will issue a written response within 10 business days of receiving a complete appeal. If additional time is needed due to complexity or the need for further documentation, the applicant will be notified in writing with an updated estimated timeframe.

If the denial was issued by a property manager or lottery agent, the applicant may appeal that decision to the Housing Director.

The decision issued through this process by the Housing Director or the Housing Division constitutes the final level of administrative review for the Inclusionary Housing Program.

While an appeal is under review, a unit will be held if applicant is in first position for a specific unit, unless withdrawn or denied in writing.

The following agencies may be able to provide (free) assistance with the applicant's appeal:

- Failure to demonstrate first-time homebuyer status or provide a valid mortgage preapproval letter as required by program policy.

It is the applicant's responsibility to disclose accurate information and to complete the entire application before the deadline. Applications received after the deadline will be denied as late submissions.

Appeals are evaluated based on:
