MBTA Elevator Accessibility Upgrades for the Davis Square Station

***Monday, July 18, 2022
11:00am – 12:00pm
Holland Street Senior Center
167 Holland Street***

Come learn about the Davis Square station's design overview; including updating existing elevators and the installation of two new elevators to make both entrances accessible. Other accessibility and state of good repair issues in the station will be addressed.

The project team will share their presentation followed by time for questions and feedback.
