Playing the Game

"This performance is not something you simply go and see, it's something you experience—moving, hilarious, and deeply profound."

In this 60-min, immersive story Denise Casey explores the games we play to belong. Part memoir, part meditation, part make believe, *Playing the Game* is unshaking in its exploration of possibility and courage.

Show: Friday, May 12th, 7pm
Storytelling Workshop: Sat, May 13th, 9-12p
Connexion UMC
Somerville, MA
