SCES AT 617-628-2601

A stylized green apron is the central element of the graphic. It features several vegetable illustrations: a yellow banana at the top left, a purple eggplant at the top center, an orange carrot at the top right, and a brown mushroom at the middle left. In the bottom right corner, a brown hand holds a pink cup. The apron has a dark green rectangular pocket in the center containing white text. The background is a light beige color.

WEDNESDAY
