**Re: Life Alive Organic Café Neighborhood Meeting Report
32 Prospect St, Space A1-ALT (P&Z 23-064)**

To Whom It May Concern,

On August 9th 2023 at 6:30 PM an abutter/neighborhood virtual meeting was held to discuss and review the request for a special permit formula business for a new restaurant “Life Alive Organic Cafe”. The Life Alive team gave a thorough presentation. When questions were taken at the end of the presentation, Jim McGinnis had some follow up questions on the square footage, number of seats proposed and number of employees. Life Alive representation responded to the questions and added they will look to hire within the community. Jessica Eshleman was also present and previously had offline conversations about the proposal so she had no questions at the meeting. City Council President Ben Ewen Campen assisted in hosting the meeting and all feedback was positive.

The meeting was also recorded and a copy was given to the planning dept.
