Please be advised: if you are applying for Condominium Conversion and have tenants in any of your units, those tenants need at least **two weeks' notice** from the Condominium Review Board prior to any hearing. Because of this, please submit your application at least **three weeks prior** to any hearing you would like to attend so that your tenants can receive proper notice. If you do not submit your application with enough time to allow Staff to properly notify your tenants, your application will be held over until the next meeting so proper notice can be provided. You can find the schedule of hearing dates and deadlines above. Thank you.
