Hello all,

While we have closed to survey and completed our public meetings, there are still ways you can make your voice heard.

- 1) Open this document that summarizes our findings and tell us if you agree or disagree: [OSRP Virtual Community Visioning Session Slides \(Jan 25th\)](#). Did we miss something? Are we spot on?
- 2) Look out for the draft version of the plan. We will accept comments from the public for a couple weeks after it goes live. That will help us make final edits.
- 3) Sign up to receive updates on the project on this page under "Stay Informed." We'll let you know when the draft plan is ready for comments.
- 4) You can share a comment or question on this webpage by going to the "Questions & Comments" tab just above this article.
- 5) Or, email us directly: amaurer@somervillema.gov (External link). We would love to hear what you need/want from our open spaces and recreational programs!

Thanks for sharing what matters to you. It matters to us!
