Re: Gordon Street fire lanes

Dear Commissioner Lathan,

I respectfully request that two fire lanes be established on Gordon Street. These fire lanes will run from the corner of North Street down both sides in an westerly direction for a distance of twenty (20) feet. Vehicles have been regularly parking on both corners impeding fire apparatus turning off North Street.

I am submitting this proposal in the interest of public safety. Thank you for your consideration in this matter.

Respectfully,

Charles J. Breen Jr.
Chief Engineer
