SPECIAL PERMIT FINDING

In accordance with the Somerville Zoning Ordinance and M.G.L. Chapter 40A, Section 6, the Zoning Board of Appeals may grant a Special Permit Finding only upon deliberating and finding the following at the public hearing:

- Pursuant to **M.G.L. Chapter 40A, Section 6**, “pre-existing nonconforming structures or uses may be extended or altered, provided, that no such extension or alteration shall be permitted unless there is a finding by the permit granting authority or by the special permit granting authority designated by ordinance or by-law that such change extension or alteration *shall not be substantially more detrimental than the existing nonconforming use to the neighborhood*”.

The Zoning Board of Appeals found that the proposed further encroachment into the required rear setback is not substantially more detrimental to the neighborhood than the existing nonconforming structure.

DECISION

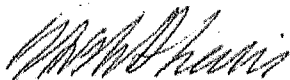

Following public testimony, review of the submitted plans, and discussion of the statutorily required considerations, Vice Chair Brockelman moved to approve the **Special Permit Finding** to further extend the existing nonconformity for the required rear setback with the conditions included in the subject Staff Memo for the application dated March 28, 2024. Alternate Daglian seconded. The Board voted **5-0** to approve the permit, subject to the following conditions:
