ADA Improvement grant

The City was approved for a 75,350 grant from the Massachusetts Office of Disability. This money is used to hire a consultant to assist with the swing survey and self-evaluation which includes assistance with programs and physical measurements.

Group Reports

Mental Health Team: Looking into a social club for those who've gotten out of drug rehab and mental health programs. Conversations have been made with social clubs in the Boston area to see how they started the social clubs. The plan is to bring these social clubs to Somerville, MA.

Legislative

Advocacy about parking: the minimum ordinance. Members put testimony in writing in opposition to the ordinance. The minimum ordinance was voted out, but the implementation deadline was extended to February 1st. Also, the city council was contacted about updating and changing the ordinances. The ordinance was to eliminate the minimum amount of parking for any new construction spaces.

Education

Report from the Somerville Special Education Parents Advisory Committee

Out of 4400 hundred students in the district, 1000 of those students have a disability. 8 percent of those families responded to the survey. 53 percent of the people are dissatisfied with the services provided in the schools. 1-16-25 The finalization of the report findings of the special education public school services will be completed.

The goal in response to the survey is to develop tools to educate caregivers by developing 501c3 for future funds, initiatives, and educational opportunities.
