NARRATIVE

On 1/10/2025, I, Officer McCune, was assigned to marked unit West-6, working for the Somerville Police Department. At approximately 11:39 PM, Officer Thermidor (W-7) and I were dispatched to 247 Elm St. (The Burren) for reports of a fight with injuries. Officer Garcia (W-5) and Sergeant Scrugli (S-8) also responded to the scene. Upon arrival at the Burren, there were numerous people outside acting in a chaotic manner. Officers made their way to the inside of the Burren, and that is where I noticed a male sitting down with another male pressing bloody towels against his head. I would like to note that there was an extensive amount of blood on the injured male's clothing and face. The male who was injured was later identified as [REDACTED]. I was able to get a look at [REDACTED] injury, and it appeared that he had suffered severe lacerations to the right side of his head. Pictures of the injury will be attached to the report.

At this point, I was able to interview [REDACTED] on the events that had led up to the fight. [REDACTED] told me that he was with a group of his friends in the back room of the Burren having drinks. At some point, while [REDACTED] was at the bar located in the back room of the Burren, he stated that he felt a "nudge" from behind as if someone could have potentially bumped into him. [REDACTED] stated that after he felt the bump, he turned around and saw one of his friends, who was identified as [REDACTED], and another male involved in some type of argument/altercation. When [REDACTED] saw this happening, he reached his arm out and put his hand on the other party who was arguing with [REDACTED] as if he was trying to separate them and break up whatever was occurring. After this, [REDACTED] told me that while he was attempting to break up the altercation, he ended up being pulled to the ground by the other male ([REDACTED]), who was fighting with [REDACTED]. [REDACTED] stated that as he was getting up from the ground, he felt a bottle hit him in the face. At this point he was rendered medical aid by [REDACTED].

employees of the Burren and his friends. _____ was eventually transported to Massachusetts General Hospital, where he received treatment for his injuries. I would like to add that _____ was conscious and coherent while I was speaking with him.

After speaking with _____, I was then able to speak with one of his friends who stated that he saw the whole incident. This party was identified as Anthony _____. _____ told me that he was at the bar with _____ and some friends. _____ told me that while they were at the bar, he witnessed _____ try to separate an altercation that was occurring between _____ and another male. He stated that _____ ended up getting pulled to the ground by the other male (_____), and when he got up, he saw a male wearing a vest hit _____ in the head with a bottle. While I was standing outside speaking with _____, he pointed out the alleged suspect to me, who was already standing with Officer Thermidor and the other involved male. I asked _____ how sure he was that the person he pointed out to me was the individual who hit _____ with the bottle, and he stated that he was "100%" sure.

I then made my way to speak with the alleged suspect and his friend, who were standing with Officer Thermidor. The suspect was identified as Parker GELFUSO, and his friend was identified as _____. I would like to add that GELFUSO was the male wearing the black vest that _____ had pointed out to me. I was unable to speak with GELFUSO until later due to the fact he was being assisted into an ambulance because of the lacerations sustained to his right hand from the incident. I was able to speak with GELFUSO'S friend _____. _____ told me that he and GELFUSO were with a bunch of friends at the Great American Beer Hall, and then around 11 PM they decided to come to the Burren. _____ told me that as the group of his friends was making their way through the crowded back room of the Burren, he may have accidentally bumped into someone due to the congested conditions inside. At this point, _____ stated

that a male who was at the bar confronted him in an aggressive manner, and that is when the original altercation occurred between him and . mentioned that he felt someone push him in the upper chest/neck area, and that is when he and ended up on the ground. stated that he was just trying to defend himself. did mention that he believes this whole situation was a misunderstanding and could have been avoided. was released from the scene.

After speaking with all parties involved and taking into account the witness statements, I placed GELFUSO under arrest. I rode in the ambulance with him as we were going to Cambridge hospital so he could be treated for his injuries. While in the back of the ambulance, I read GELFUSO his Miranda rights from a card that I keep on my person in the presence of paramedic Skyler Bell of Pro EMS. Gelfusco agreed to speak with me. I was able to gather the following from GELFUSO. GELFUSO told me that he was out with a group of friends at the Great American Beer Hall. Around 11 PM, he and his friends took an Uber to the Burren. After they arrived at the Burren, the group purchased drinks from the front bar and made their way to the back room of the Burren. GELFUSO said that as they were entering the back room, he did "cheers" with a female who was a part of the group that was with. After doing the "Cheers," GELFUSO noticed that was involved in some type of altercation with another male (). GELFUSO said that when both and were on the ground, he stuck out his right hand to try and stop from being pushed. GELFUSO said that is when he felt someone hit his right hand, which is the hand he had the beer bottle in, causing it to break, and that he did not remember too much after that. At this point, GELFUSO said that he made his way to the bathroom, where he noticed he was bleeding from his right hand. GELFUSO was able to call 911 and ask for an ambulance (Incident #25001841). I would like to add that the injuries that GELFUSO sustained to his right hand are consistent with someone who had smashed a bottle on someone's face. While I was speaking with GELFUSO, he did

NARRATIVE

On 01/10/2025, I was assigned to the Somerville Police Detective Bureau. At approximately 2339 hours, the West End patrol units were dispatched to a fight at the Burren at 247 Elm St. Two parties were injured as a result of this altercation. One of the parties, _____, was determined to have been the victim of an assault with a glass bottle and transported to Massachusetts General Hospital. I proceeded to MGH to document _____ injuries and interview him.

On arrival, I spoke with the front desk attendant. As she tried to locate _____, he was being wheeled into the waiting room on a wheel chair. I observed he was wearing a bandage that had been wrapped around his head. _____ had dried blood on his face, blood stains down the front of his clothing and on his shoes. I introduced myself and asked _____ if he would speak with me.

He stated that he was in the Burren with friends. He stated that he was in the back room of the establishment where live music had been playing. At one point, he was pushed from behind. He turned and saw that an unknown male had grabbed his friend by the shirt. He moved in to separate both parties and put his hand on the chest of the unknown male. _____ and this male fell to the ground. As he got up, someone hit him in the head with a bottle. _____ did not know who had hit him.

He did not believe that the man he had fallen to the ground with was the party that hit him. He stated that he believed that when he was struck, the other male was still on the floor. I asked _____

if I could photograph him. He agreed. I took several photographs of _____ with a digital camera, and several with my departmental cell phone. I did not remove _____

bandage to photograph his wounds, as he was in the waiting room with no attending medical personnel. The photos I took with the digital camera will be made available after extraction by Detective Faria. The photos taken with my departmental cell phone will be attached to this supplemental.

A female was at the hospital with _____ I identified

her to be . She stated that she was at the Burren but did not see the altercation. She stated that she ordering a drink then she heard "a bottle crack". She stated that people in a crowd pointed to a man wearing plaid, and she heard people say that male was the suspect.

Respectfully submitted,

Detective Christopher Collette, B#302
