Addendum No. 1 to IFB #25-35

#	Question	Answer
1.	We are a Ford, GM, Dodge truck center. I know it says you mainly have Ford and Mack, we wouldn't be able to work on Mack trucks, would that be an issue with the contract?	Per minimum quality requirement #1 and #7, the City requires vendors who service Mack vehicles.
2.	I see it says short notice on-call, would that just mean for road service, or would the trucks be able to come into the shop?	The DPW would have the trucks transported to the vendor for service repairs.

Going forward, please address any questions or concerns regarding IFB 25-35 to Felisa Gárate (fgarate@somervillema.gov) or procurement@somervillema.gov
