Addendum No. 2 to BID 25-47

#	Question	Response
1	Item 100- Schedule for Operations Fixed Price, a fixed price is not provided in the bid tabs.	Item 100- Schedule for Operations Fixed Price was removed under Addendum 1.
2	Items for police details and price adjustment are typically allowances with predetermined value.	Predetermined values were provided for Items for Police Details and Price Adjustments in the Bid Tab under Addendum 1 and carried over into Addendum 2.
3	Can a detail be provided for item 999.15- Removable False Curb Utility Cover?	Details are provided on Sheet 38 of 44 of the Base Plans (and sheet 38 of 44 of the Add Alt Plans) that details the Removable False Curb Utility Cover.
4	Detail provided for catch basin plaques. Will these be required? If so, will a separate pay item be included or will the plaques be incidental to item 701.	The “Don’t Dump Curb Marker” Detail is not required and should not be included in the bid.
5	Street Name Signs appear in the sign summary but item 874- Street Name Sign Municipal Standard is not in the bid tabs.	<u>A revised bid form</u> has been provided that includes Item 874.
6	Item 875.1- Parking Meter, no specifications or details provided for the new parking meters. Will these be furnished by the city? If not, additional information needed.	As indicated in the specification for Item 875.1 and 875.2, “The City of Somerville Parking Department shall remove, stack, and/or replace parking meter heads as indicated on the plan.” The City of Somerville will provide parking meter heads to be installed as indicated on the plans. The City of Somerville is also responsible for removal and replacement of parking meter heads. Contractor shall be responsible for the removal and replacement of parking meter posts.
7	Are there any differences between the Base plans and Alternate plans? Upon reviewing they appear exactly the same.	The Alternate plans are the same as the Base Plans, however the Alternate Plans have callouts for proposed locations for benches, bicycle racks, and bus shelters on the Construction Sheets, that are not shown on the Base plans.
