#	Question	Answer
1.	In the bid documents, it states for startup and winterization. There is no place on the bid form to put those amounts in. Is it all going to be by the hour for everything?	That is correct.
2.	Am I able to have the last contract amounts for the last three years?	This is the first time this service has been bid out by the City, therefore, there are not any previous bid results.
