Office of Strategic Planning and Community Development

RESCHEDULED: Western Pearl Street Reconstruction Concept Design Options Open House

The City of Somerville is planning to reconstruct sidewalks, repave, and redesign Western Pearl Street between McGrath Highway and Medford Street to make it safer.

In the fall of 2024, we gathered community feedback on preferred design directions. Shaped by that input, we've developed two conceptual design options.

Join us at our upcoming open house to learn about these conceptual design options for the street and share your feedback!

The open house will feature multiple stations describing different aspects of the project. Drop-in anytime during the event to review materials and talk with project team members about your feedback and questions. Pizza will be provided.

Information available in Español, Português, 繁體中文, 简体中文, नेपाली, Kreyòl Ayisyen.

NEW DATE: May 13, 2025

Rain date: May 14

5:00 – 7:30 p.m.

Ed Leathers Park

98 Walnut Street

Want to learn more about the project and ways to engage? Visit somervillema.gov/westernpearl.

If you would prefer to get this information by phone, please call 311 (617-666-3311). If you have any questions, email transportation@somervillema.gov.
