## FINDINGS

In accordance with the Somerville Zoning Ordinance and the Zoning Board of Appeals' Rules of Procedure & Policy for Minor Site Plan Approvals, the Director of Planning, Preservation, & Zoning may approve or deny a Minor Site Plan Approval upon making findings considering, at least, each of the following:

1. *The comprehensive plan and existing policy plans and standards established by the City.*

The Director finds that this proposal is consistent with the goals laid out in SomerVision 2040, the City's Comprehensive Master Plan, including supporting the production of new housing.

2. *The intent of the zoning district where the property is located.*

The Director finds that the proposed lot split is consistent with the intent of the Neighborhood Residential (NR) zoning district, which is in part "to create, maintain, and enhance areas appropriate for smaller scale, multi-use and mixed-use buildings and neighborhood serving commercial uses."

3. *Mitigation proposed to alleviate any impacts attributable to the proposed development.*

The Director finds that's the proposed lot split does not cause any impacts requiring mitigation.
