

August Technology Workshops

When: Every Monday in August (4th, 11th, 18th, 25th) from 1-2pm

Where: 167 Holland St, Somerville, MA 02144

These workshops are brought to you by members of the Somerville Cambridge Elder Services Technology Access Program.

8/4 Testing Tech: Do you want to change technology and get paid to do it? In this workshop you'll learn how you can test technology at home and make some \$!

8/11 Libby Library at Home: Do you want to read e-books and listen to audiobooks? We'll show you how to borrow e-books and audiobooks from the library and read them at home on your device.

8/18 Smart Phone Tips & Tricks: Want to make your Android or iPhone work better? Together we'll discuss different things you can do to improve your phone's performance.

8/25 Opening an Online Account with Social Security: Confused about how to create an Social Security online account? This workshop will take you step-by-step through the process of setting up an online account. Please Note: While we will explain how to create an online account, we will not be helping you apply for and collect Social Security.
