Community Development

## Mayor Katjana Ballantyne, Ward 4 Councilor Clingan, Ward 1 Councilor McLaughlin, and City Staff invite you to the Western Pearl Street Reconstruction Updated Design Open House

The City of Somerville is planning to reconstruct sidewalks, repave, and redesign Western Pearl Street between McGrath Highway and Medford Street to improve safety, accessibility, and sustainability.

In the spring of 2025, we gathered community feedback on two different design options. We used the feedback to develop one 80 Percent Design.

**Join us at our upcoming open house to learn more about the Updated Design!**

The open house will feature multiple stations describing different aspects of the project. Drop-in anytime during the event to review materials and talk with project team members about your feedback and questions. Pizza will be provided.

Information available in Español, Português, 繁體中文, 简体中文, नेपाली, Kreyòl Ayisyen.
