Re: IFB 26-20 On-Call Repairs, Replacements and Maintenance of Overhead Doors
Notice of Rejection of All Bids and Intent to Rebid

Pursuant to M.G.L. c. 30B, Section 9 and Section 1.5 of the Invitation for Bids (IFB) (General Terms; Right to Cancel/Reject Bids), the City of Somerville is rejecting all bids it has received in response to IFB #26-20 On-Call Repairs, Replacements and Maintenance of Overhead Doors.

The City of Somerville has determined that rejection of all bids and revising the estimated costs of this contract is in the best interests of the City. Upon receipt and review of the one (1) bid received, it is apparent that the bid significantly exceeded the City's budget and estimated construction cost as stated in the Key Project Information section of the IFB. The City is reviewing and revising the estimate for intended work and will advertise and re-issue a bid package on October 29th, 2025.

The City of Somerville appreciates the time and effort it takes to prepare and respond to a public bid and regrets any inconvenience this may have caused. All prospective bidders in our records for IFB 26-20 will be notified when the re-bid package of this opportunity is released and are encouraged to submit a bid for the revised IFB.

Thank you for your interest in working with the City of Somerville.

Sincerely,

Logan Carroll
Procurement Manager
