Inner Belt-Brickbottom Crossing Open House - Tuesday Nov 18

What's Happening?

The City is looking to **more directly link the Inner Belt and Brickbottom neighborhood** by providing a **safe, accessible crossing** for people walking, rolling, or biking from one side of the green line tracks to the other near the East Somerville MBTA station.

Mayor Katjana Ballantyne, Ward 2 Councilor J.T. Scott, and City Staff invite community members to an **open house** to **learn more about the project, share their experiences moving around the neighborhood, review preliminary design concepts, and provide feedback.**
