Re: Chandler Street fire lane

Dear Commissioner Lathan,

I respectfully request that the existing fire lane at the corner of Chandler Street and Park Avenue be officially adopted. This fire lane runs from the corner of Park Avenue in a northerly direction up the odd side of Chandler Street for a distance of twenty (20) feet. This fire lane has been existing for some time but was apparently never legally adopted.

I am submitting this proposal in the interest of public safety. Thank you for your consideration in this matter.

Respectfully,

Charles J. Breen Jr.  
Chief Engineer
