

Narrative

Danger Wizard LLC is looking to provide a safe, welcoming and vibrant space for Table-Top RPG gamers from all walks of life. The 201B Highland Ave location is the ideal venue to bring our community together, from kids to adults. We plan to host small events, workshops, game sessions and more for anyone who has ever yearned to go on an adventure.

We are applying for a Special Permit since the business type will be changing from "Pet Supply and Salon" use to "Recreational Services".
