Somerville Cambridge Elder Services Technology Access Program

Mayor Jake Wilson

February Technology Workshops

Mondays from 1-2pm at 167 Holland St, Somerville, MA 02144

February 2nd: TikTok for Beginners- You've heard about it, now you can learn how to watch and make videos on TikTok! Bring your devices so we can help you get it set up.

February 9th: Where to get Cheap Tech - Where to get Cheap Tech - We had requests for a workshop on tech bargains, so here it is! Come and learn where to find good deals on technology.

February 23rd: Navigating Internet & Online Safety - Guest speaker Mason Granof will run the workshop, Navigating Internet & Online Safety. Mason will teach you how to surf the internet safely.
