Notice of Rejection of Proposals
Re: Request for Proposals (RFP) 26-54 Digital Document Accessibility Services

Pursuant to M.G.L. c. 30B, §9, the City of Somerville is rejecting all active proposals received in response to RFP 26-54 for Digital Document Accessibility Services. One offeror withdrew their proposal, and the Evaluation Committee has found that none of the remaining proposals are responsive as they do not fully meet the criteria in the RFP. Therefore, the Chief Procurement Officer has determined that rejection of all proposals serves the best interest of the City.

The City intends to resolicit proposals in the near future, and is exploring its options to secure a solution that meets the City's requirements.

Thank you for your interest in this opportunity.

Sincerely,

Thupten Chukhatsang
Senior Procurement Manager
