CITY CLERK'S OFFICE  
SOMERVILLE, MA

This decision summarizes the findings made by the Planning Board (the "Board") regarding the request to a condition removal of a previously issued Special Permit for Somerville Family Dental PC (Senick LLC, Nikhilesh Rao Gorukanti)

### LEGAL NOTICE

Somerville Family Dental PC request to remove a condition of a previously issued Special Permit (DRA#2020-012) in the Mid Rise 5 (MR5) zoning district.

NOTE: Typo on Legal Ad, previously issued Special Permit is DRA#2020-0125

### RECORD OF PROCEEDINGS

On April 2, 2026, the Planning Board held a public hearing advertised in accordance with M.G.L. 40A and the Somerville Zoning Ordinance. Present and sitting at the public hearing were Chair Michael Capuano, Vice-Chair Amelia Aboff, Clerk Jahan Habib, and Board Members Michael McNeley, Lynn Richards and Alternate Coralie Cooper.

At the hearing the Applicant's Agent Adam Dash explained that current condition #3 of Special Permit case number DRA#2020-0125 limits the practice's ability to restructure, bring in partners, or change ownership, and requested its removal to ensure business continuity in case of ownership changes or emergencies. Condition #3 of mentioned decision reads "*The use runs with the Applicant, Nikhilesh Rao Gorukanti, and is granted only to this applicant and is non-transferable. The Special Permit shall terminate immediately if the Applicant ceases to occupy the space*". The applicant and owner of Somerville Family Dental, Nikhilesh Gorukanti explained there are no planned changes in the near future for the practice and that any changes of use will still go through the respective board, so removing this condition would ensure stability for staff and the business.

After the applicant's brief description, the chair opened it to public comment, there was none. Following this, Chair Capuano asked staff clarification regarding the reason for this

condition to be added in 2020. Staff explained that the condition was originally imposed due to limitations on uses on pedestrian streets, but these limitations have since changed in the ordinance. There was no further discussion and the board moved to vote.
