Addendum No. 1 to RFP #26-69

#	Question	Answer
1	<p>The RFP requires the applicant "has staff and organizational capacity to support at least 25 paid positions over the course of the contract from June 2026-July 2027" and it requires paid youth employment of Somerville teens, but does not seem to explicitly require employing 25 teens. Given the living wage requirement, \$100,000 is not enough to employ 25 teens for the entire contract period and also implement all the required events and services.</p> <p>Can we propose employing fewer teens?</p>	<p>There is flexibility in schedule/time commitment of the paid positions. A strong proposal will demonstrate how the paid positions will support the engagement of teens throughout the city and have a broad reach overall.</p>
