Traffic Commission Agenda
May 14th, 2026 at 5:00pm

Pursuant to Chapter 2 of the Acts of 2025, this meeting of the Traffic Commission may be conducted via remote participation. We will post an audio recording, audiovideo recording, transcript, or other comprehensive record of these proceedings as soon as possible after the meeting on the City of Somerville website and local cable access government channels.

Persons with disabilities who need auxiliary aids and services for effective communication (i.e., CART, ASL), written materials in alternative formats, or reasonable modifications in policies and procedures in order to access the programs, activities, and meetings of the City of Somerville should contact the ADA Coordinator in advance at 617-625-6600 x 2059 or ADA@somervillema.gov.

Roll Call

Item #1 – Approval of the Minutes from the April 9th, 2026 Traffic Commission Meeting.

Item #2 – Request for an accessible parking space at 5 Greenville St, for a resident of 434 McGrath Hwy (relocating an existing space from 44 Dana St).

Item #3 – Request to change parking regulations to allow the installation of four new Electric Vehicle (EV) Charging Stations at the Mt. Vernon St Parking Lot, Oliver St at Knowlton St, and the Foss Park Parking Lot, as detailed within.

Item #4 – The Office of the Mayor respectfully submits this request to the Traffic Commission for consideration and approval of adjustments to current permit and meter fees. Due to rising administrative, maintenance, and operational costs, it is proposed that the following fee increases be implemented, as detailed within. These adjustments are intended to better align fees with current service costs, ensure program sustainability, and maintain effective parking management across the municipality. We respectfully request the Traffic Commission's review and approval of these proposed changes.
