#	Question	Answer
1.	Could you please tell me when was the last time this bid went out and send me the itemized bid tabulation of that bid?	This is a standalone project, and not a cyclical bid done yearly or every 3 years, therefore, there are no bid results to share.
2.	Could you send me the list of bidders emailed this bid information?	See attached.
3.	My question is do we have to bid on all items or can we just bid on the pavement markings? We don't do signage.	No, the City requires bidders complete the full scope of work, and bid on all items in the price form.
