

High Level Summary: It is proposed to replace the existing aging fences on the property.

Note: As requested, this is a resubmission of HP26-000010 to separate the two proposed changes into two submissions.

Additional Details:

Fence Replacement:

- It is proposed to replace the aging existing fences on the property
 - On the street facing side of the property, the following changes are proposed
 - The existing fence & gate on the right side of the house will be replaced with a new 6' Cedar Stockade style fence.
 - On the left side of the house, the existing fence and gate parallel to the road will be replaced with a 6' Cedar Manchester fence and gate.
 - The existing chain link fence perpendicular to the road on the left side of the property will not be altered.
 - In the back of the lot, the fence along the rear property line will be replaced with a 6' Colonial style fence. The fence along the left property line in the backyard only will also be replaced with a 6' Colonial style fence.
 - Pictures of existing conditions are included in the application, as are renderings of the proposed change.
 - The location of the fence panels will not change
