CITY CLERK'S OFFICE
SOMERVILLE, MA

This decision summarizes the findings made by the Historic Preservation Commission (HPC) regarding the historic significance of the principal structure at 60 Medford Street.

LEGAL NOTICE

- The Applicant seeks to demolish a building constructed a minimum of 75 years ago.

DETERMINATION

The HPC held a meeting on July 21, 2026. Sitting and present at the hearing were Members Chair Eric Parks, Vice Chair Robin Kelly, Denise Price, and DJ Chagnon. At their meeting, the Historic Preservation Commission voted 4-0 that the principal structure located at 60 Medford Street is NOT Historically Significant in accordance with Section 7-28(e)(3)(a)(b) of the Demolition Review Ordinance 2020-22, as amended 12-08-2022. The HPC found that the building is not:

- Associated with one or more important historic persons or events, or with the broad architectural, cultural, political, economic or social history of the city or the Commonwealth of Massachusetts.*
- Historically or architecturally significant (in terms of period, style, method of building construction, or association with a reputed architect or builder) either by itself or in the context of a group of buildings, and therefore it is in the public interest to be preserved or rehabilitated rather than to be demolished.*

On a motion by DJ Chagnon and seconded by Denise Price, the Commission voted 4-0 to adopt the following findings:

- The structure was not related to any historically significant individuals or architectural styles or cultural aspects of the city and will not be a detriment to the city if it is removed.

Therefore, the principal structure at 60 Medford Street is released for demolition and no further action of the HPC is required.
